1. [REDACTED] raises questions regarding CIA participation in the S/I Subcommittee at the [REDACTED]. I discussed this at some length with [REDACTED], FE, and we drafted an incoming cable brief for the Director. I made the point that DD/I did not wish to take any action other than that in support of Captain Layton and the Navy. This point was incorporated into the brief with the statement, "Headquarters has informed the field that there is no objection to the S/I Subcommittee not meeting if Captain Layton so desires."

2. [REDACTED] coordinated, with me, the monthly Newsletter sent to Senior Officials abroad. This issue contains three articles:

- a. The President's talk at the CIA Orientation Class.
- b. Progress made in Career Plans, and
- c. A personnel evaluation procedure.

The latter two articles dealt exclusively with DD/P's interest in these subjects. I discussed the articles with [REDACTED], Exec. Sec. of the Career Board, and [REDACTED], DD/A Assistant, and we agreed to broaden the statements to cover the entire Agency but left in the details concerning DD/P's method of implementation for overseas personnel.
